

# Learn How to Make Sprays with Food Coloring and Paints

When you go into an art/craft store and see all the supplies, it can be overwhelming. The prices can be expensive. Learn how to make sprays with food coloring and paints.

Please supply your own small bottles. Learn all sorts of creative ways to use cardboard and make a journal out of junk mail. Bring your own junk mail or old calendars.

**May 29 from 5:30 – 7:00 PM**

Cost is \$12 supplies provided except spray bottles and junk mail.

Instructor: Carol Moore

Class is held at the Norton Community Center

To register call the Norton Recreation Department at 679-0754
